CHIEFTAIN 1970

We would like you to step through the doors of Sac High with us so that we may reintroduce you to your year. Hopefully, whatever you remember most--games, dances, classes, or the times in between-will return to you in the form of the 1970 Chieftain.

Here that the victory bell ring? This was one of the 1969-1970 first accomplishments of the Student Council. After distributing questionaires the Student Council obtained numerous ideas on improving our present day school system. Due to this questionaire, a boy's pep club has been set up. Student Council added to the Christmas festivities by sponsoring a USO Project which brought in over 75 dollars, and also the Christmas assembly, where a "door prize" and Christmas tree were given to the lucky winners. If you're wondering what your Student Council is up to, take notice of their "Belligerent Board."

The great American coverup!

Among the Thespians' multitude of great achievements this year, "Lil' Abner" far surpassed all other productions. Besides providing fine entertainment for the community, they also paid tribute to a former Thespian at a memorial service. The Class of '57 presented Troupe 12 with a spotlight in memory of Larry Smith.

Villians Plot Their Plan

Wow! What a knockout!

"I can't, Daisy Mae! I jest can't!"

Tremendous Success in All-School Play
"Fantastic play." "Best I've ever seen."
"No doubt of college caliber." "Terrific
directing and great casting." This was
"Lil' Abner."

The story starts as word has been sent out from Washington that the citizens of Dogpatch must evacuate their mountain homes. Dogpatch has been selected as the most unnecessary town in the country, and therefore the perfect site for the nuclear tests. It appears that something useful is found when Mammy Yokum (Tere Bagnall) produces her secret formula of Yokumberry tonic which makes muscle men of weaklings. However, General Bullmoose (Larry Otteman), a sly and conniving politician, sets a sultry siren and Evil Eye Fleegle (Bill Wassom) with his double whammy to work on Lil' Abner, hoping to wheedle Mammy's secret formula from him. The citizens of Dogpatch, after a trip to Washington, foil his plan, and everybody settles down for a peaceful life of rustic simplicity in Dogpatch, U.S.A.

"Put 'em back the way they was."

Sac Student Studies in Netherlands

After being informed she would be an exchange student abroad, many changes occurred in the life of Molly Flores. Learning to speak Dutch, replacing water with other beverages, and having to take 10-13 subjects are only a few of the adjustments she had to make. We only hope Molly will be able to settle down to the everyday, hum-drum life in Sac City when she returns.

A Cypriot to Sac High

Coming to us from Cyprus is our ninth AFS student, Anna Miltiadou. Anna was given gracious hospitality by the Dean Marshall family. In addition to her hours of studying, Anna found time to participate in various school activities. One of her most memorable experiences at Sac High was being named honorary member to the National Honor Society. We hope Anna enjoyed her year here in Sac as much as we enjoyed her being here.
